## CHAIRMAN'S FOREWORD

We believe in providing the highest quality of education in a safe, nurturing and stress free environment. RSEMS Global School is a center of academic excellence fully committed to providing learning opportunities to our students in all ways possible. The entire school community renders its unwavering support to create and operate system that scaffold our endeavor to provide 'holistic education'.

An important part of our school is nurturing and strengthening the bond between the pupil, school and parents. Our 'parent-child activities' encourages and enlists support from parent to ensure the success of every student. With a trained, qualified staff and a strong focus on continuous professional development, we are in constant touch with the latest educational practices and methodologies. Our aim is to equip our students to become 'Global citizens' of tomorrow. Choosing this school for your child will be the best gift that you can give to him/her. This prospectus is intended to give a brief view of RSEMS Global School

Thanking you,

**Dr. R. A. Shinde**  
Chairman

## PRINCIPAL'S FOREWARD

Principal is a primary leader of the school but "A leader without good team, is a ship without a captain". At Global I have a wonderful team where we all come together to achieve great things. A team of talented teachers and supportive staff really care and strive to make a difference everywhere and every day. It is exciting to see their fantastic explores and make most of every opportunity with each others support.

We inculcate life skills and teach children to become tomorrow's Global citizen not only in academic sense but also facing the challenges of tomorrow's world. We at Global have always focused on supporting learning styles of all our students and make it fun.

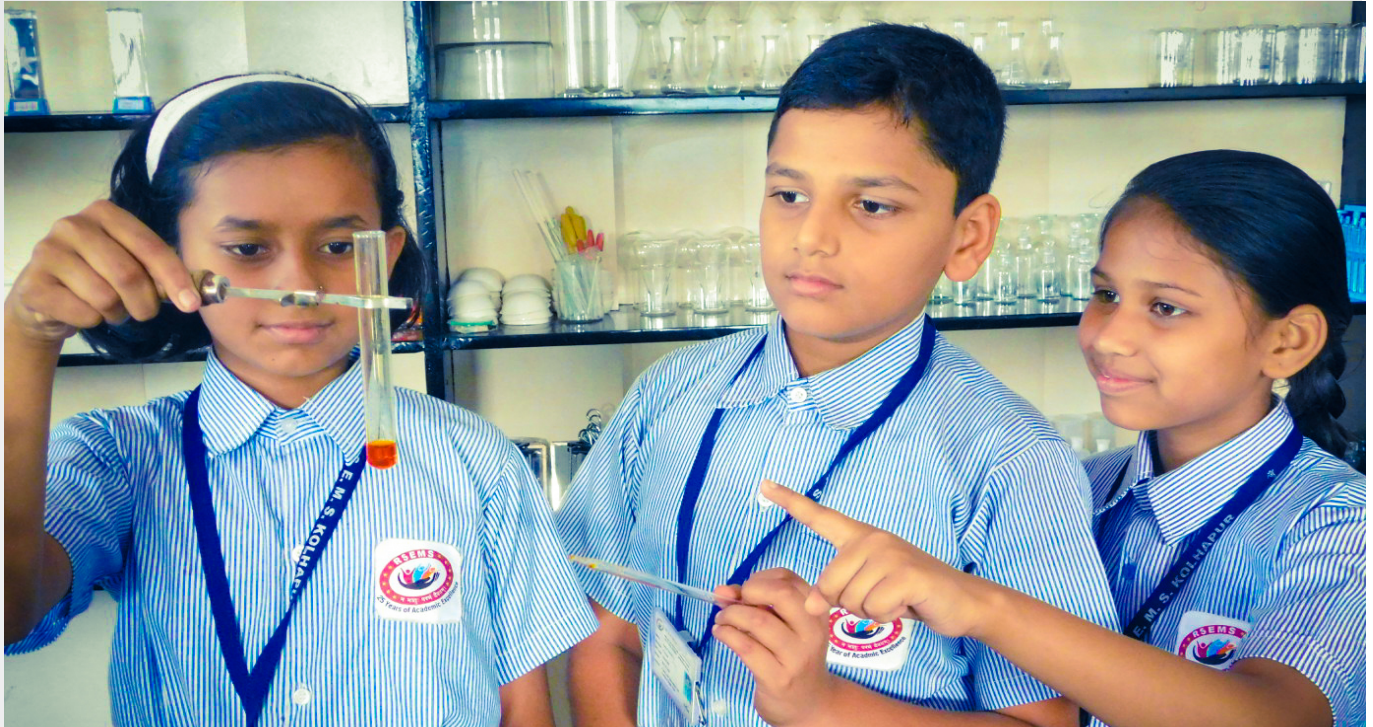

I am particularly interested in increasing learning choices that are available to our students. Therefore, we come up with a vision to foster different facets of a student in order to see him/her developing as a vibrant student, responsible citizen and above all a generous and sentient human being. Our pedagogy is child centric, with emphasis on over- all growth and development of our students.

**Principal**  
RSEMS Global School

RSEMS Global School will enable young learners to find the right balance between the head and heart, information and formation, traditional and modern and mould them into responsible, balanced human beings who will become the wise one in the truest sense of the word, and prove their mettle on the global stage.

## OUR VISION

RSEMS Global School believes that each child is unique and aims to be an institution of excellence dedicated to built future leaders.

## OUR MISSION

- To foster a sense of personal pride and belonging to the school community in which all students are encouraged to develop self esteem, respect for others, tolerance and self discipline.
- To provide and maintain highest quality teaching and learning in a safe and secure environment for all students.
- To be a happy school in which a sense of fun and enjoyment prevail in an ethos of mutual respect.

## SPECIAL FEATURES

"A teacher must be very particular while teaching in the class as his/her every word effects the child. The pessimistic approach can destroy the desired golden future castle of the students". Exactly the reason why we have extremely illustrious teachers.

We believe in the concept that "A child learns in self". So we provide a friendly educational environment for your child. We take question hour as doubt clearance period every day. Literary activities are one of the ways for the wholesome development. We have lots of literary activities like dramatics, debating, elocution, essay writing, story writing, quiz, extempore speech, calligraphy, public speaking etc. We organize compulsory educational tours to places of historical, geographical and scientific importance.

## WHAT DO WE OFFER

### Computer & Language lab Facility

The School is equipped with a Computer lab equipped with desktops, Laptops and Internet. Enhancing on practical knowledge using all modern techniques of education. Students are regularly kept updated with all the new concepts in computers and are allowed to actively participate in the demonstrations.

### Library

The library offers a rich resource for all round development of our young brains. These resources are provided to cater the specific academic needs of the students. The library has a well selected collection of books and encyclopedias, news papers and audio visual media. New additions are constantly made in order to keep the library abreast of the latest.

### Sports

The Sports curriculum is designed as per the different age groups. Its emphasised and is laid on the development of gross motor skills, physical stamina, flexibility, balance, strength, hygiene and overcoming physical fears and also it emphasis on team building which complements the individual goals for excellence.

### Lab

It is imperative that all school have highly furnished, good quality labs. At RSEMS Global School, we have Chemistry, Physics, Biology & Maths lab to achieve the goals of laboratory learning which includes enhancing mastery of the subject, better understanding & developing Scientific reasoning ability.

## ACTIVITIES

Class wise competitions,  
Cultural activities, Inter-school  
competitions, Social work,

Interactive club

## EDUCATIONAL TOURS AND EXCURSIONS

Adventurous activities are a part of school curriculum. Students are set for educational and recreational excursions, picnics, museum, art galleries etc. Trekking, rambling, hiking, rock climbing and mountaineering are made part of these excursions too.

## PARENT TEACHER INTERACTION

Along with the teaching community, education is a combined endeavor of parents and society. The institution has succeeded in developing an active participation of the parents. The school organizes PTM on regular basis. It is compulsory for all parents to attend the PTM. They can meet teachers and know the progress of their children, if needed, may even discuss the individual problems of their children and put forward their valuable suggestions.

## EXAM PATTERN

The success of educational innovation in many ways depends on the examination system that the school follows. The long term vision of RSEMS Global School, is to prepare students to think originally, to work creatively and to help them recognize their inner strengths as lifelong learners.

- RSEMS Global School 1st to 7th as per uniform system of Assessment.
